## Medical Transport Aide

### Description

### Job Description:

We are seeking a responsible and compassionate **Medical Transport Aide** to assist in the safe and efficient transportation of patients to and from healthcare facilities, homes, and other medical locations. The ideal candidate should be physically fit, have excellent communication skills, and be able to provide support to patients during transport.

### Responsibilities

### Key Responsibilities:

#### 1. Safe Patient Transportation

- Assist in transporting patients between hospitals, clinics, nursing homes, rehabilitation centers, and residences.
- Ensure patients are safely seated or secured in wheelchairs, stretchers, or other mobility devices.
- Help lift, transfer, and position patients as needed, ensuring comfort and safety.

#### 2. Patient Assistance & Care

- Provide courteous and professional assistance to patients, ensuring their needs are met during transport.
- Assist patients with entering and exiting vehicles safely.
- Offer reassurance and emotional support, particularly for elderly or disabled individuals.

#### 3. Vehicle & Equipment Maintenance

- Maintain cleanliness and hygiene standards of the transport vehicle.
- Ensure wheelchairs, stretchers, and medical transport equipment are in good condition.
- Report any mechanical issues or safety concerns to supervisors.

#### 4. Compliance & Safety

- Follow all safety protocols and infection control procedures.
- Adhere to traffic laws, emergency response procedures, and patient confidentiality regulations.
- Communicate effectively with dispatchers, healthcare staff, and patients' families.

### Hiring organization

Medi Care

### Employment Type

Full-time

### Duration of employment

2 Years, Extendable

### Industry

Medi Care Out Source

### Job Location

New Zealand

### Working Hours

08:00 to 18:00

## 5. Documentation & Reporting

- Maintain accurate records of patient transport details, including pick-up and drop-off times.
- Report any incidents, delays, or patient concerns to the appropriate medical personnel.
- Ensure proper documentation of patient conditions and any assistance provided.

### Qualifications

### Qualifications & Requirements:

- **Education:** High school diploma or equivalent.
- **License & Certification:**
  - Valid driver's license with a clean driving record (if required for vehicle operation).
  - CPR and First Aid certification (preferred).
  - Training in patient handling and mobility assistance (preferred).
- **Experience:** [Specify required experience, e.g., 1+ years in patient transport, healthcare assistance, or related field].
- **Skills:**
  - Strong communication and interpersonal skills.
  - Ability to handle physically demanding tasks, including lifting and transferring patients.
  - Knowledge of basic medical and safety procedures.
  - Compassionate and patient-centered approach.

### Job Benefits

- Competitive salary and benefits package.
- Opportunities for training and career advancement.
- A rewarding role in supporting patient care and healthcare services.
- A professional and supportive work environment.

If you have a passion for helping others and ensuring safe medical transport, we encourage you to apply.
